# WATERFRONT CHARTERS

Boat Trips | Sunset Cruises

Waterfront Charters has an amazing range of cruises, which have been thrilling V&A Waterfront visitors for over thirty years. The combination of our eight vessels, the Cape Town and Table Bay environment, and the Atlantic coastline, provides endless opportunities to delight visitors.

Whether you are looking for an exhilarating sailing experience, want to watch the sun set, while you sip chilled champagne aboard a luxurious catamaran, party off Clifton Beach, take an Ocean Safari, enjoy a close-up tour of the harbour, or explore the fascinating coastline, we have the cruise for you. We offer scheduled cruises daily, and our special events and cruise specials have become must-do social occasions on the Cape Town calendar. In partnership with our co-sponsors and top V&A restaurants, we treat guests to fabulous 3-hour Brunch Cruises, dance to African sounds while partying out at sea, and provide superb cruise and dine, gourmet adventures.

We offer private charters on all of our vessels and also put together custom-designed cruises for special occasions. Our proposal cruises and private party add-ons allow for tailor-made options, and we are happy to take both small, intimate groups of friends and family, as well as larger parties of up to 140 happy guests. Our staff are expert at helping put together the ideal cruise, and our professional crews are renowned for their friendly approach to every person who steps over the gunwale of any boat.

All bookings can be made online, at exceptionally reasonable rates, and we constantly offer specials to make life a little easier. If you need any advice, our staff will be happy to assist, via WhatsApp, or at our Quay 5 office, right on the busy waterfront, near our boats.
